

Cadence of Life: A Study of the Effects of the Seventh Day Adventist Religion on the Everyday Life of the Massai People of Manyara and Arusha, Tanzania

Sheila Aketch ORERO

EIMAS
EUROPEAN INTERDISCIPLINARY
MASTER AFRICAN STUDIES
Erasmus Mundus Joint Master Degree

Explore the impact of
Adventism on the Masai
Understand conversion and
how its lived

Methods:

Ethnography

Analysis:

Multimodal Approach (lived
religion approaches)

Analysis:

Multimodal Approach
(lived religion approaches)

What Next:

Multimodal approaches, Decolonial
(language, African Voices)

Results:

Common words: confessing sin, leave the past
behind, obey commandments,

- Shared views: Continuous process, leads to change, not radical change, outward

- Different voices:
There can never be
complete alienation of
the past
